

C.E.O. of LutherCare Communities

Welcome to the LutherCare Communities web site.

LutherCare Communities is a leader in care, housing, and community services to people throughout Saskatchewan. We offer a continuum of living in which individuals may remain a part of a nurturing and supportive community even as their needs change.

LutherCare is a faith-based organization affiliated with the Evangelical Lutheran Church in Canada. Our roots go back to 1955 when we operated our first facility, the Lutheran Sunset Home of Saskatoon, a 50 bed long term care facility, which has now expanded to 129 beds. LutherCare Communities has grown to provide services encompassing seniors' housing, seniors' day care, group homes for young adults with special needs, housing for low income families and a child care centre. Our services are open to all.

We work on our own and in partnership with the Lutheran community, government agencies and private developers. Today we own or operate 20 facilities in Saskatoon, Regina, Outlook, and Estevan.

I encourage you to take a look at our web site to see the many services that we offer.
