

Vice President of Human Resources and Community Services

Welcome to the LutherCare Communities web site. LutherCare is recognized as a leader in care, housing and community services to people throughout Saskatchewan. When we analyze the characteristics most common to our top performers, the following qualities are critical:

- **Comfortable working in a faith based Christian environment**
- **Compassionate, client focused employees with a genuine caring attitude for people**
- **Good listeners, respectful to others with a capacity for developing good relationships**
- **Effective team players able to support the needs of fellow workers.**
- **Clear in their goals and ambitions; always determined to do all that it takes to succeed**
- **Confident, independent thinkers who communicate effectively**
- **Adaptable with a view that a growing and changing organization as an opportunity.**

As an employer we offer the following:

- **Challenging and meaningful work with real responsibilities.**
- **A friendly and supportive work environment with the ability to make contributions and influence change**
- **A valued team member**
- **A competitive compensation package with the potential for personal growth**

If you have the qualities that it takes to succeed in LutherCare and you wish to work in an expanding growth organization, I encourage you to browse our opportunities section of the web site.
